Description

She is Australian registered and is the 4 cabin version. She has sailed from Europe to Australia so is set up for blue water cruising. The clever layout and super nice fitout is renowned from Bavaria. She is a well-appointed and comfortable yacht ideally suited to short and long distance cruising with stainless steel wheels, spacious cockpit, furling genoa and fully battened mainsail.

She has a reconditioned Volvo saildrive engine which is still under warranty. Plus a new standing and running rigging.

These boats have a light and airy interior with multiple hatches for good crossflow of air, a huge shaded area in the cockpit, very large cockpit seating area with a dual hinged butterfly fold out table for 8.

Brand new spray dodger and bimini - September 2018.

Turnkey ready to sail again on your next adventure.

Added bonus to this beautiful example of a typical Bavaria is a Bowthruster and an inmast furling main which add up to very easy single handed sailing.
