Power Type	Sail	Stock Number	DBY00024
Condition	Used	State	New South Wales
Suburb	CAREEL BAY	Engine Make	Volvo Penta D2-75

Description

Bavaria 50 cruiser in a 4 cabin layout is now for sale exclusively with DBY Boat Sales.

This 2012 model, Australian registered yacht is extensively equipped for bluewater cruising with tons of storage and space throughout the entire boat. Sailing is a breeze with the in-mast furling mainsail and overlapping furling genoa. For downwind sailing an original Selden pole on a mast track has been fitted to pole out the headsail, two preventers are rigged to secure the main boom. The cockpit is enormous and a clear path between the two Lewmar wheels gives easy access to the water from the large opening swim platform.

Belowdecks, the Bavaria 50 is cavernous, with the saloon laid out to accommodate a crowd. A U-shaped amidships galley to port keeps the cook a part of the party, and the amply sized table with U-shaped seating to starboard and an amidships bench could easily seat eight.

There are 3 fully enclosed bathrooms. There is a separate shower room that has been converted to include a 7kg washing machine and is also a great place to store wet gear. A private head and sink is to port for the other aft double. This four-cabin model has a cabin forward of the galley with two bunks and a head plus the shower room opposite to starboard. A large owner’s cabin and King sized bed are forward, just aft of a water-tight bulkhead and the deep chain locker in the bow.

The interior is extremely well lit and airy, thanks to 17 opening hatches and 12 fixed port light windows.

For sale with DBY Boat Sales Pittwater Office in Newport. Please call +61 2 9999 3311 for an inspection. For additional high resolution photos and detailed inventory, please email sales@dbyboatsales.com.au.

Features

Designer	Bavaria
