## Description

Beneteau 461 'QUICKSTAR' exclusively for sale with DBY Boat Sales.

Launched in 1997, "QuickStar" is a Beneteau 461, sporting a brand new Yanmar 75hp with under 20 hours and still under warranty. This is the second-largest model in the Océanis range. Her hull, drawn by Bruce Farr, is essentially the same as the sporty First 45F5 and she has a good turn of speed and light helm under sail. The 461 is equally successful as a large family coastal cruising yacht or for a couple of families with her good level of space, segregation zones and abundant ventilation throughout. She also makes for a beautiful, roomy, fast blue-water home for a couple.

3 spacious private cabins including a massive forward state room with King sized bed and deluxe memory foam mattress, 2 full sized enclosed heads with separate holding tanks, and a desirable long inline galley, 2024 certified lpg cooking equipment, enormous pantry opposite the saloon area.

Strong electronics package including JRC chart plotter with cards for the East Coast and The Pacific, 24nm radar, AIS send and receive, all integrated into the cockpit display.

Continuously upgraded over the last 5 years including the impressive new Yanmar, slipped for antifoul in May 2024, she is truly turn key, safe and ready to go anywhere.
