## Description

Benetea 461 'SEAFARER4' exclusively for sale with DBY Boat Sales.

The Bruce Farr Beneteau 461 was one of Beneteaus most successful designs. So successful in fact that its significant production run spanned over 5 years. Her hull shape gives amazing form stability delivering easy handling and good passage times. At anchor her beam minimises rocking as well as giving huge interior and exterior space.

Australian registered Seafarer4 is well maintained and fully equipped for long term blue water cruising and livaboard. Predominately used and sailed shorthanded everything is set up with that in mind. This includes a removable cutter rig which allows more options including heavy upwind, closehaunched sailing.

The inflatable dinghy is stored on custom davits and easily launched when needed.

She is a 3 cabin version with 2 heads and a workshop, storeroom. Her saloon area is vast, light and airy with a well appointed galley.

The navigation area is fully set up with all the modern electronics needed to operate in the Pacific safely.

She has a new Yanmar diesel engine with folding stainless propeller so will deliver trouble free motoring for many years to come.

Seafarer4 is ready for her next dream adventure.
