Description

1980 Brewer 37 Cutter now for sale.

ELLARE is a 37ft Brewer and is one of 12 professionally built to this design in steel. She has a warm mahogany interior, plenty of headroom and built by a craftsman.

Canadian flagged, she has just sailed in from Vancouver after 8 years of solo sailing by her current owner and is now imported into Australia.

Set up for shorthanding, Ellare is a sturdy, comfortable, well equipped vessel. She is an amazing value for the money for anyone wishing to take on serious bluewater passage making with a minimum budget or a comfortable cruiser for weekend sailors.

She is reliable, strong and designed for cruising. The enhancements the owner has done have made this a very comfortable vessel for a cruising crew and she will take you safely anywhere in the world. She has new steel plates below the waterline which were professionally done in 2014. She is essentially a much newer boat than her years. She has a round bilge - no hard chines.

Features a well maintained Yanmar 38HP diesel with only 2700 hours.

She has windvane self-steering, wind and solar power. All lights are LED so power consumption is very low. A well balanced cutter rig, nicely enclosed cockpit. Has berths for up to 6 people and would be perfect for a couple to do long distance sailing.

Features

Designer	Ted Brewer
Builder	Huronic Metals
Water (Potable) Capacity (l)	260
Hull Construction Material	Steel
Hull Type	Mono
Deck Construction Material	Steel
Country Origin	Canada
Length (feet)	37
Length (m)	10
Beam/Width (feet)	10.5 approx
Beam/Width (m)	3.51M
Draft (m)	1.74
Draft (feet)	6
Number of Helms	1
Displacement	11.27T
