## Description

2000 Bruce Roberts 44 Offshore now for sale exclusively with DBY Boat Sales.

Roberts 44Genesis. For sure the best Roberts 44 we have seen.Genesis is a beautiful example of this proven bluewater cruising design.

Set up for a couple for easy and safe short handing. A super high level of safety and redundancy with nothing left to chance.

Front to back the owners have spared no expense or time in ensuring she is up to date and ready to cruise anywhere in the world.

Construction was completed by the boatbuilder John Douglas in 2000 in BC Canada. The current owners purchased her in 2005.

She was then cruised extensively in the West Coast of Canada before May 2022 when she set sail across the Pacific to Australia.

Her internal fitout is a wonderful blend of light timber which gives a warm and cosy feel. Outstanding headroom throughout including good clearance leading from the main cabin through to the aft stateroom.

The presentation of the engine bay and motor speaks loudly to the care these owners have forGenesis and attention to detail.

It is not often that I walk of a boat thinking how perfect she is.

In this price point you will not be disappointed and the buyer can look forward to years of safe and fullfilling adventure.

The inventory is extensive and can be provided on application.
