Furling headsail, all controls lead aft to the cockpit, self-tailing winches, full instrumentation including Autopilot make for relaxed weekends and easy short-handed passage making.

Diesel motor with low 1300 hours and good service history including new raw water pump and heat exchanger overhaul, 23hp for effortless motoring.

The roomy cockpit is well protected by the spray dodger and additional boom awning, has cockpit cushions, hot and cold shower handy by the open transom swim ladder. Solar panel located up high and gives additional shading to the cockpit area.

Hugely popular, with excellent resale, great accommodation, the Catalina 30 Song of Joyis a 'must see'.
