Description

The Catana 425 is a comfortable performance cruiser and this 1991 owner 3 cabin version is now for sale.

The hulls have been extended to 46ft to give better access and stability, and she has been well maintained and continually upgraded by proud owners.

Sailed originally from France she is now located in Tahiti and has all the equipment to allow her owners to cruise internationally.

Standing rigging was replaced in 2012 and her electronics upgraded in 2012.

Well maintained twin diesels have been replaced and upgraded to 40hp.

For going ashore, the tender inflatable RIB with a 15hp Yamaha outboard sits ready on the davits.

Her interior is comfortable for long term liveaboard with ample galley and indoor outdoor living.

Located in arguably the most beautiful region in the Pacific she is well placed for a downwind sail to Australia.

Features
