## Description

1985 Cavalier 28 now for sale exclusively with DBY Boat Sales.

Cavalier 28, launched 1985, used regularly by the current owner for twilight series and always kept to a high standard.

This is one of the best entry level family yachts around, with good performance twilight racing and coastal cruising ability on a minimal budget. Well-regarded high-performance yachts for their size.

This one is the standard layout with generous interior volume and up to 6 berths. Simple portable fuel stove cooking at the galley and hand pump fresh water facilities.

The Bukh engine was overhauled in September 2015, serviced last in July 2022 and runs perfectly.

The standing rigging is 2005, and full mast-boom refurbishment at the same time, 3 sails in the wardrobe.

Running rigging was replaced in 2018, the genoa furler was renewed in 2017, the wheel was removed and converted to tiller in 2019.

---
