Description

1985 Cavalier 37 now for sale.

This Cavalier 37 is the best we have ever seen and will impress any Cavalier enthusiast.

New Horizonshas been significantly upgraded over the last few years with improvements to almost the entire vessel. 2016 rigging, new Raymarine electronics, new covers throughout, near new sails.

She is a cutter rigged, masthead sloop. All lines to cockpit, large sail wardrobe and numerous self tailing winches on deck.

A recent trip through the Pacific and NZ, and engine serviced May 2017 means she is turn key ready to go with Australian registration a bonus.

Make her your new coastal cruiser or liveaboard by inspecting now.

Her extensive inventory includes, chartplotters at helm and below, staysail on furler, spinnaker, AIS, HF and VHF radios plus wireless modem with high gain antenna.

Coursemaster autopilot, substantial solar and wind power generation, near new upholstery and flooring, with many other additions to ensure she is safe and comfortable as a fast blue water cruiser.

The owner is making plans for a brand new, larger yacht so this beauty needs to be sold. An inspection will impress.
