Description

1977 Cheoy Lee 33 ketch rigged Clipper with 30hp Yanmar diesel showing only 220 hours and a service done in March 2019, is now for sale with DBY Boat Sales. Australian Registration a bonus if you are planning on venturing outside of Australia.

These timeless classics always turn heads as they sail along gracefully under full canvas with full keel stability.

Le Voyageuris ready for a new owner that will want to bring her back to former glory. The engine is only 9 years old, the antifoul is December 2018, but most of the interior and external timberwork are needing the love of re varnishing, as is the mast. The teak decking is at end of life, needing work also.

The 33' Clipper has all the beauty and the traditional lines we've all come to admire while also being a strong, stout and serious offshore ketch rigged voyager, too!

Arrange an Inspection and secure this classic yacht.

Features

Designer	Alfred E Luders
Builder	Cheoy Lee HK
Water (Potable) Capacity (l)	220
