Description

This Chris Craft Replica, built approximately 2011 (photos available of the build process) is now for sale.

She has had a Holden 308 V8 engine mounted to propel her to serious speeds. This is a headturner and you will have everybody at the boat ramp very envious as she fires up into a classic V8 tone.

Immaculate interior with a very retro feel of days gone by. If you are looking for the old style classic look but without the repair bills of a wooden boat, this one is for you!

There is a registered galvanised trailer included in the sale. She is stored under covers in a factory unit/security building, but available anytime for an inspection which will not disappoint.

For sale exclusively with DBY Boat Sales Pittwater office. For inventory and high resolution photos, call +61 2 9999 3311 or email us at sales@dbyboatsales.com.au
