Description

1978 Compass 28 in very near original condition with an honest Pittwater background is now for sale.

Built in 1978, she has maintained most of her original features with only some interior upgrades, but plenty of regular servicing and maintenance.

Antifoul and Yanmar engine servicing was carried out in February 2016 so she is ready to go.

This Compass 28 has been owned for many years by her current owner and sadly, she has to sell. All reasonable offers considered.
