Description

This 1979 Compass 29, with a lot more to offer than the usual Compass 29, is now for sale.

An excellent option for a couple or family to have fun in a well designed yacht that is very easy to sail. With a well balanced helm along with the sail plan and rig that are designed for simplified cruising and or twilight racing, the options are all there!

The cockpit is very functional with everything easily at hand to sail, and when you have dropped anchor in a nice bay the cockpit is roomy with good seating.

The accommodation is well designed with a forward double V-berth. The saloon table drops down to form another double berth plus there is two aft quarter berths.

Loads of storage space throughout, and a very usable galley with recently installed new Force 10 Stove/Oven/Grille.

If you are looking to upgrade from a smaller vessel or looking for your first yacht an inspection of this fine example will be worthwhile.

Features
