Description

1981 Compass Innovator 33 now for sale with DBY Boat Sales.

Don Lees, designer of the popular Compass 28 & 29, designed the 33 as a centre cockpit yacht based on the Farr 1104 hull, making these yachts a great family boat with good sailing characteristics.

Don stayed with Compass Yachts, that had produced over 1000 of the 28s & 29s, to produce the Innovator 33 to ensure the quality and reputation of the name continued.

This ketch version has loads of space for a 33 footer, with safe flat decks fore and aft and plenty of berths (7) for the entire family to cruise or live aboard.

The aft cabin is huge with loads of natural light and air flow plus it has separate access from the cockpit as well as the walkthrough corridor leading to the galley.

A new Engel 12v fridge runs happily on the 2018 batteries which are charged by 160 watts of solar.

HF and VHF radios plus plenty of quality cruising gear including a liferaft in service. Brand new Autohelm still in packaging.

Magma stainless steel BBQ on the rail. Inflatable dinghy with Honda 2.3hp air cooled 4 stroke outboard.

A comfortable centre cockpit with hard dodger and soft bimini. Deep cockpit seating for safety and a large transom seated area on the pushpit.

Large modern 35hp Beta diesel motor, shaft driven, installed 2011 and new standing rigging in 2010 along with upgraded Raymarine C120 instrument package (2013) makes this boat excellent buying.

Exclusive to DBY Boatsales. Arrange an inspection by email, sales@dbyboatsales.com.au or by calling 02 9999 3311

Features
