Description

1984 Cuddles 30TARDISflybridge located in stunning Apple Tree Bay, Sydney.

Comes complete with mooring if required in this idyllic tranquil part of the Hawkesbury River system.

A 2021 out of water survey is available and would be suitable for insurance purposes.

She is good example of an original classic that is still a popular choice for couples or small family getaways.

The layout can accommodate 6 people, a single head and fully enclosed shower, nice and simple galley with metho 2 burner cooking. The cockpit area has full camping enclosure when required and is well rounded with comfortable seating for 6 plus there is, of course, the upper steering station on the flybridge which gives the 360-degree views whilst motoring along. Over the upper helm station is a bimini top. All canvas is old and in need of replacing soon but is still doing the job at the moment. The external decks will benefit from a good scrub or repaint.

At this price, she is a champagne cruiser on a beer budget. Inspections welcome anytime.

Features

Designer	Bruce Harris
Builder	Bruce Harris
