Description

This 1984 Davidson 26 sloop cruiser racer is for sale at a bargain price for a quick sale.

Designed by the legendary Kiwi designer Laurie Davidson, she is fun and fast. A great dayboat or cruiser / racer.

Topside she is in very nice condition with newly painted and polished hull and recently refurbished mast, boom and rigging. Down below she is surprisingly spacious for her size but would benefit from a good tidy up.

She has an excellent sail inventory, Cat 7 Safety gear and has been club raced regularly and is competitive. She has a near new 8HP Mercury outboard on a lifting arm so no worries about maintaining an ancient diesel inboard engine.

She has been recently antifouled in 2013 and also has a 2012 marine survey, which gives her good marks.

She would be the best yacht under \$10k around so be quick!

Now priced for immediate sale at \$8,950.
