Description

Beautiful 1960 Daydream 28 now offered for sale.

Professionally built by Ron Swanson and lovingly restored by her current owner, Jamboree has got to be one of the finest examples of this popular design we have seen in a long time.

Recent upgrades in 2011 include new engine, decks replaced and re-sheathed.

In 2012 she was rewired throughout and more recently, new upholstery, new teak toe rails and gunwales fitted, and new covers for bow, boom, cockpit and mainsail, for preserving all the hard work already done.

To finish off, in 2016 she has just had a complete external paint job and antifoul so she is truly 'jump on and sail away'.

Features

Designer	Ken Watts
Builder	Ron Swanson
Water (Potable) Capacity (l)	140
