Description

2006 Dolphin 460 now for sale.

Three Sixty Blue is a fine example of a limited number of Dolphin 460 catamarans designed by veteran naval architect Philippe Pouvreau and built to ABYC standards in Aracaju, Brazil.

Dolphins represent an excellent balance of safety, comfort, performance and styling. Their hulls are constructed of hand-laid, vacuum-bagged fiberglass using vinyl ester resin over Divinacell foam cores. The bottom of each hull is solid fiberglass so she can be beached without damage.

There are two water-tight compartments in each hull and the retractable dagger boards are trunked in crash boxes to prevent water incursion in the event of a hard grounding. The Sail Drives are protected by sacrificial mini keels.

Dolphins feature graduated, flared hulls and extended transoms to handle cruising payloads. The retractable dagger boards aid in pointing, shoal draft sailing and reducing drag off the wind. Wide side decks enhance safety and the bulkhead helm station offers 360 degree, four corner visibility when docking or sailing.

The vertical salon windows help reduce cabin heat and also offer 360 degree visibility making piloting, with the use of an autopilot remote, possible from the comfort and safety of the cabin in inclement weather.

UniquetoThree Sixty Blue is a hard top section with opening hatch in the Bimini top over the helm station for enhanced weather protection and good view of sails while trimming. Crystal clear, semi-rigid, opening, Makralon windshields connect the Bimini Top to the cabin roof providing an excellent shelter from wind, rain and spray.

Also uniquetoThree Sixty Blue is an L-shaped salon seating arrangement, in lieu of the standard, oval-shaped settee, making for a more comfortable configuration for lounging and off-watch napping.

Three Sixty Blue is the only Dolphin 460 presently equipped with a Leisure Furl, in-boom mainsail furling system which, along with a primary electric winch, greatly simplifies sail raising, lowering, reefing and stowing.

Three Sixty Blue's current owners, Mark and Anne, are experienced blue water cruisers and have owned a variety of performance-oriented yachts for over 30 years. They have maintained the yacht to a very high standard, and made many significant improvements that reflect a real pride in ownership.

Family responsibilities at home necessitate closing the current chapter on their multi-year sailing adventure, and are now seeking new owners who will benefit from all of the yacht's fine qualities as they set out in search of their own secluded anchorages and palm tree covered islands.

Features

Designer	Philippe Pouvreau
Builder	Dolphin Catamarans/ Technologia Naval LTDA
Water (Potable) Capacity (l)	450
Hull Construction Material	Fibreglass with foam core.
Hull Type

	Catamaran
Deck Construction Material	Fibreglass/ vinyl ester resin with Divinicell foam core.
Country Origin	Brazil
Length (feet)	45.8
Length (m)	13.98
Length Waterline (m)	13.98
Beam/Width (feet)	24.11
Beam/Width (m)	7.35
Draft (m)	1.2 - 2m. Retractable dagger boards are trunked in crash boxes to prevent water incursion in the event of grounding.
Dry Weight (kgs)	10,000
Number of Helms	1
Displacement	12,600 kg
Engine Notes	Serviced September 2017.
Number Of Engines	2
Engine Standard	Volvo D204OD
Stroke	3
Engine Hours	Approx. 2486 Port, approx 2368 Stbd.
Horse Power (hp)	40 x 2
Drive Type	2 x Volvo 130 Sail drives protected by sacrificial mini keels.
Engine Room	2 dedicated spaces.
Generator	Onan 9Kw. Alternator - Volvo Penta 12v 60amp.
Number of Batteries	9. 6 House, 3 Starting.
Fuel Type	Diesel
Number of Fuel Tanks	1
Fuel Tank Capacity (L)	450
Propeller	Volvo folding.
Steering System	Vetus Hydraulic with emergency tiller.
Accommodation Notes	Owner's queen size berth starboard, Double forward, 2 bunks midship, Queen berth aft on Port side. Headroom in main salon/ galley - 1.93m. Headroom in hulls - 2.04m. Splendide WDC 7100XC washer/ drier. Handcraft Mattress Company 6 inch latex mattress in master cabin (2016).
Number of Berths	8
Number of Showers	4. 2 internal, 2 external.
Shower Type	EEMax electric instant water heater.
Number of Toilets	2
Toilet Type	1 Raritan Marine Elegance electric flush in master head (2014), 1 Lavac manual in guest head. Both with holding tanks.
