**Description**

1987 Duncanson 34 for sale exclusively with DBY Boat Sales.

One of the best examples of this popular Australian built cruiser racer.

Renowned for being very comfortable and sturdy offshore. She has a sleek and easily driven hull with fantastic midship volume.

"Kanaloa II" has been well maintained. She is used locally here in Sydney for social racing as well as coastal cruising.

Inside she is very neat, and her motor appears clean and well serviced.

Her cockpit with wheel steering is well set up for short handing, and has a nice drop down Bimini for shade.

The interior is well appointed and dry. Features are good dining seating, and galley with eutectic refrigeration.

Obviously, a well-loved boat.
