Description

1992 Duncanson 43 now for sale exclusively with DBY Boat Sales.

This outstanding 1992 Duncanson 43 cutter ketch is a prime example of a Duncanson design with good looks, performance, comfort and reliability.

She was originally built for survey though never chartered, resulting in a super strong construction with watertight bulkheads throughout.

The hull is a composite of 25mm finished Canadian white cedar with 6mm Epoxy glass inside and out.

She has just arrived back from a world cruise.

She has been diligently maintained and is a proven ocean vessel.

Her timberwork inside and out are in outstanding condition, including her replaced decks.

Set up for short handing she is easily handled by a couple.

An extensive inventory designed for long term live aboard - this is a wonderful opportunity to buy the complete and ready to go package at an affordable price.

Located in Newport Pittwater she is ready to show and sail away with a new owner.

Features
