Description

ELAN 31 SOLD

OWNER DESIRES QUICK SALE - REDUCED

Exclusive to David Bray Yachts + Multihulls.

For the 'new boat' buyer ... always jetty maintained, only 180 hours on motor ... 'as new' sails... launched 2007.

In Europe the Elan yacht range is known for their structural integrity. Built to 'Germanischer Lloyd' A Ocean Certification GL-100A5 as used by Hallberg-Rassy and NAJAB (much higher classification than CE Certification used by the mass manufacturers).

Utilising Vacuum Assisted Infusion Lamination (VAIL) Elan produce the required strength and stiffness in their boats with less weight of material allowing for more keel ballast and better sailing ability.

This Elan 31 is a one owner boat ... the owner loves the size ... he previously owned a Northshore 31 ... 'The Elan was like going from a Commodore to a Mercedes Sports!'

A great club racer with five sails, some in 'as new' condition.

Comfortable cruising interior featuring six person dinette, private aft cabin, enclosed bathroom with wet hanging locker, galley with double sink, dedicated Nav. Station and private double forward.

Complete instrumentation including Raymarine ST6002 tiller pilot.

Perfect cruiser/racer ... quality and great value ... low usage and well maintained.

Exclusively for sale with David Bray Yachts
