Description

1980 Ericson 35 Mk II for sale exclusively with DBY Boat Sales.

Between 1969 and 1982, Ericson Yachts built about 600 Ericson 35 Mark IIs, a then-modern racer/cruiser designed by Bruce King to replace the original Ericson 35.

Fine looks and a sweet sailing disposition ensure enduring popularity for the Ericson 35 Mark II.

This Mk II version Rhiannon has been regularly maintained over the years -

2023 - February Yanmar 20hp engine service. Work receipt available.

2021 - replaced engine mounts, stern tube and gland

2019 - cutless bearing replaced.

2016 - replaced all below water skin fittings, valves and tails

2015 - Running and standing rigging replaced by Whale Spars. New furling Genoa, cruising weight by McDiarmid/Doyle

2014 - prop replaced with folding prop

Davits support the tender dinghy.

With a roomy saloon with good headroom, and a large bimini over the spacious cockpit, this is an ideal boat for entertaining.

An inspection will not disappoint.
