Description

Well presented 1992 Farr 37 now for sale.

This is a bargain as the owners say SELL.....moving interstate.

A popular cruiser racer design from Bruce Farr known for being well constructed and a robust design, with a great turn of speed when required.

This particular boat has primarily been used as a weekend cruiser with a great interior layout, generous rear double berths and forward v-berth with enclosed head and new upholstery throughout.

Electra 2 has been well maintained with good service history all documented.

If you are looking for a good club racer that can also accommodate the family for extended nights away, then Electra 2 is a must to inspect.

She is booked for her annual slipping and antifouling in December 2016 so great timing for anyone interested in seeing her out of the water.
