## Description

We are delighted to offer 'Farr Fly' for sale, a very special 2003 Farr 56 Pilothouse, fast cruising yacht currently lying in Sydney.

She is a limited edition centre cockpit, cutter rigged sloop and is the only one of her kind for sale in the world today.

She should not be confused with mass production yachts designed by Bruce Farr, which are built to a price, as Farr Fly was custom designed and built to order in Sweden by her current owner, with no expense spared.

She has been fully imported into Australia with all taxes paid and is offered for sale at a fraction of her original cost.

This is an opportunity to own a very rare, fast and strong world cruising yacht, which has proven herself at sea in all conditions.

Constructed of single skin solid laminate in the central regions below the waterline for strength and her topsides in a Divinycell core sandwich for rigidity and light weight, Farr Fly is perfectly equipped and set up for speed, safety, comfort and luxury.

Bristling with electric winches for hoisting and furling sails and with all of the modern electronics one would expect in a boat of this quality, Farr Fly has the ability to take you and your family wherever your dreams of sea voyaging might lead.

Price reduced and a huge saving on the \$3,000,000 replacement cost

Exclusively for sale with DBY Boat Sales Sydney Harbour office.

For sale with DBY Boat Sales Pittwater office. For inventory and high resolution photos, call +61 2 9999 3311 or email us at [sales@dbyboatsales.com.au](mailto:sales@dbyboatsales.com.au)
