Description

2007 Serica 44 now for sale with DBY Boat Sales.

Wapitiis a centre cockpit Bermudian cutter designed by the renowned Graham Radford. She is a performance cruiser capable of easy shorthanded cruising anywhere in the world.

The present owner has had her since new in 2007 and has completed a circumnavigation of 45000nm over an 8 year period.

She is currently UK registered and Australian tax paid.

Wapitiis constructed to an exceptionally high standard. Built of Kauri and Oregon using the West Epoxy System. She is built to survey and full construction records are available.

No expense has been spared in comfort and safety. She is ready to sail off on her next adventure.
