Description

This handsome 2007 Hanse 47e is for sale exclusively with DBY Boat Sales.

She has delivered her family safely and efficiently throughout the New South Wales and Queensland coasts in all conditions over the past couple of years. Robust and sturdy without compromising safety and performance.

Her performance is predictable and manageable even around the Pittwater cans. She has been sailed both short and single handed, being very easy to manoeuvre thanks to twin helms, 360-degree visibility, operating electric winches, bow thruster and has all running lines to the cockpit.

Although maintained previously, she has been on swing mooring for over a year unattended due to absence and does need some TLC such as an antifoul, new rig, hatch polycarbonates, etc.

Covers are in need of replacement and a full hull, deck polish would bring her back to life..

If you put in the effort to bring her back she will be worth much more than the investment in..so great buying

Features

Designer	Judel/ Vrolijk
Builder	Hanse Yachts, Germany
Water (Potable) Capacity (l)	2 x 450L tanks = 900L
