## Description

2011 Hanse 545 for sale.

This Hanse is a rare find. She has been beautifully appointed for extensive family blue water cruising in comfort, yet still able to be sailed single handed.

Perservereis a 3 cabin owner version with generous hatches and lighting throughout not seen on most boats of this size.

Forward she has an apartment sized stateroom with generous Queen size bed with a custom thick mattress. A private ensuite, vanity and shower is at the bow. Mid stateroom to starboard is a dressing table with seating. Lots of cupboards and storage completes the cabin.

Moving aft into the main cabin she has a large dining area to port able to seat 8 easily, with an opposing lounge area to relax and read.

To starboard she has a gourmet galley with all the appointments of a modern kitchen including fridge and freezer.

Aft there are twin double staterooms each with generous Queen sized bunks and ample storage. A rear bathroom and shower services these 2 cabins.

As far as general equipment list for cruising - it is huge! See full specifications. The list is worth as much as the basic boat again.

But the highlights are full reverse cycle air conditioning and heating throughout. 6000 ipp Generator, Solar, wind and tow power generation.

Large capacity Fridge/Freezer and Horizon Watermaker.

Comprehensive electronic package including Satphone, Radar, AIS send and receive, with B&G instrumentation and heavy duty Autopilot and extensive safety equipment including 8 man raft.

She has a carbon mast and bowsprit to reduce weight aloft and ensure more stable and efficient sailing.

Full set of performance and cruising sails including offwind Assymetrical and Code Zero.

This is a very rare offering and a wonderful opportunity for a buyer who will appreciate this amazing boat.
