Description

This 1992 model Hershine 40, with twin shaft drive Caterpillar 375hp engines which have been well maintained and an Onan 8kva Gen set in excellent condition, is now for sale.

The twin helm is very appealing to those wanting to entertain with friends and family from either location.

The flybridge is very large and can accommodate many as is the saloon area. The bimini up top is oversized and has a very open feel with plenty of cover whilst entertaining.

There is a very large Island bed in the bow and generous sized twin bunks in the second cabin. Recent refurbishing has made the interior very easy to liveaboard in total comfort.

Large inline galley with electric cooking, plenty of cupboard space and a generous lounge area. Ready to enjoy summer.
