Description

HMG 31 Halverson built and launched 1972 is exclusively for sale with DBY Boat Sales. Original family owned and enjoyed since 1972.

Halvorsen & Gowland HMG 31 is a solid GRP coastal sailing cruiser that is perfect for those wanting to explore our inshore and coastal waters.

Her shallow draft is unique and allows easy passage in many areas where most boats cannot travel. Perfect for the coasts and numerous bar crossings and inlets.

This design also suits those with shallow and tidal marina berths, and she can happily sit on the bottom on her long keel.

For a 31ft yacht, the exterior and interior space will amaze. The cockpit is as big as on many 40ft yachts and the interior is big volume and bright and airy. Great for entertaining.

Set up to easily sail shorthanded.

She is powered by a Perkins 50HP engine that had its last service in April 2024.

Located in peaceful Apple Tree Bay where the dream mooring is potentially also available if convenient to the new owner.

For sale with DBY Boat Sales Pittwater Office in Newport. Please call +61 2 9999 3311 for an inspection. For additional high-resolution photos and detailed inventory, please email sales@dbyboatsales.com.au
