Power Type	Sail	Stock Number	PWHR373271
Condition	Used	State	New South Wales
Suburb	CLAREVILLE	Engine Make	

Description

1996 Hunter 376 now available for sale exclusively with DBY Boat Sales.

Artemis, a 1996 Hunter 376 is one very lucky boat. Her first owners sailed her from America to Australia, up to Singapore, and back down to Sydney. Her second to last owner was an engineer and saw to all her systems, including replacement of all her batteries, and installation of solar panels, and her current owner of only a matter of months is moving interstate and now must farewell this lovely boat, but Artemis confident she'll find another caring owner in no time at all.

An absolutely huge 37 footer Artemis will sleep 8 with a generous v-berth (complete with a new memory foam mattress), two huge aft doubles (each with an inner spring mattress), and a massive double in the saloon once the saloon table has been lowered. In fact, there is even a ninth berth on the port side of the saloon, but seriously...

Fridge, separate freezer, and she comes complete and literally ready to move on board including pots, pans, cutlery, and even the original Hunter cups, glasses and plates.

6 sails: lazyjacks and zippered boom bag on the main, furling headsail, spare main, trysail, storm jib, and even an MPS.

2013 standing rigging.

A new Yanmar 36hp diesel in 2015.

A new propeller in 2019.

All new skin fittings in 2019.

Cabin windows all removed and resealed in 2018.

A new Muir anchor winch in 2016

The full Hunter manual for the boat is still aboard.

She has an ICOM HF and VHF radio, full instruments, including autopilot.

And even 240 volt air conditioning for those steamy nights in a marina connected to shorepower.

Artemis ready to move aboard and head North this Winter, or just relax and enjoy her locally. She is well worth an inspection.

As well there is a very good Force 4 aluminium RIB inflatable dinghy and a 4 stroke 2hp outboard available for an additional \$1500.

Her mooring apparatus on Pittwater at Clareville is even available as there is currently no waiting list for a Services NSW mooring in that area.

Features

Builder	Hunter
Water (Potable) Capacity (l)	283
Hull Construction Material	Fibreglass
Hull Type	Mono
Deck Construction Material	Fibreglass
Country Origin	USA
Length (feet)	37.07
Length (m)	11
Beam/Width (feet)	12.42
Draft (m)	1.98
Draft (feet)	6.6
Keel/Ballast	4950lbs ballast
Number of Helms	1
