'Stardust' was prepared for a new cruising adventure in New Zealand in 2019 and her family of three sailed her to the South Pacific to experience and enjoy the Islands, culture and cruising lifestyle. One can spend years just enjoying Fiji and her abundance of locations, culture and activities.

The interior is signature Island Packet quality, with exotic timber interior has been prepared and re varnished highlighting the lustre of the timbers. Near perfect condition of the fiddle rails and bench tops give a new boat feeling. The teak and holly floor is expertly lacquered.....she is just beautiful.

You will never run out of power with ample solar and a lithium battery bank. The current owners reckon by midday they are fully charged without motor or generator assistance.

On deck she has a classic cutter rig with signature Island Packet genoa self tacking setup on a pole. Covers are good as are the sails and systems.
