Description

A 1998 Bruce Roberts 550 design professionally built by Jomarco Boats in California, now for sale exclusively with DBY Boat Sales.

Endless Summeris a solid, medium displacement proven blue water cruiser. With a fair turn of speed, she sails comfortably to any point of sail.

The sellers bought her in San Francisco in 2013 and set sail in 2015, crossing the Pacific over the next four years. Many additions were made in this time to ensure comfort and safety.

Their tenure is up and Endless Summeris now reluctantly offer her for sale as is where is.

Last survey is 2018. Engine serviced in March 2021, bottom cleaned.

All import taxes are paid.
