Description

2004 Lagoon 380 Cruising catamaran for sale.

Lagoon 380's are known for their spacious interior with a beautiful panoramic view! Excellent head room with a nice cockpit and ease when handling at sea!

Easy access to dinghy, wide decks and very well constructed!! Tried and proven, time and time again.

Plot a course and set sail. She is ready to take you anywhere your dreams allow.

The Lagoon 380 high clearance bridge deck and robust high spec build will ensure you arrive in safety and comfort. The strong, custom made glass fibre bimini allows easy safe access to the boom/mainsail for maintenance and closing the lazy bag, vastly safer/easier than your standard canvas bimini.

This Lagoon 380 was fully refurbished in 2013 with new engines, sails, electronics and other cruising equipment.

Number of Batteries	3 x 130 amp AGM house batteries new in July 2013.
Number of Fuel Tanks	2 x 170 ltr Diesel fuel tanks.
Fuel Tank Capacity (L)	200 ltr
Accommodation Notes	A unique feature on Lagoon catamarans is that their saloon windows are vertical instead of angled. When you think of the solar heat that is generated in your car via the windshield, you will understand how angled windows can heat up a boat too. But the vertical windows on the 380 keep the interior cool and comfortable. The 380 also adds a circular and slightly angled coach roof that makes for an attractive and distinctive look. Storage is excellent with plenty of hanging lockers and shelf space. The main saloon has 6'5" headroom and comfortably seats 8 at the central table with additional storage under the settees. The nav station is positioned just inside and close to the helm for good communication. Saloon table converts into a bed.
Number of Berths	4 Cabins with double bed and Saloon converts to double. 10.
Number of Toilets	2 Bathrooms with sink and shower.
Galley Notes	The galley up layout keeps the cook in the middle of the social action and the sliding glass window instantly connects the galley with the cockpit.
Stove	ENO stove serviced Aug 2014.
Number of Sinks	1. Fresh water and sea water pumps at sink.
Anchor / Winch	1200 electric Anchor winch Manson 27 kg Anchor with SS swivel and 100 meters of chain. spare 20 kg anchor with 50m rode.
