Year	1990	Category	Cruising Yachts
Hull Style	Single	Hull Type	Fibreglass
Power Type	Sail	Stock Number	INMY423410
Condition	Used	State	International
Suburb	Fiji	Engine Make	

Description

1990 Moody 425 for sale exclusively with DBY Boat Sales.

Moody 425, located in stunning Fiji in bluewater cruising condition and ready to continue exploring the Pacific.

She is loaded with quality equipment which has kept the family of 4 in comfort and safety over the last few years whilst they have enjoyed cruising from the east coast of the USA.

Australian registered which is potentially a great bonus.

The Moody 425 has become somewhat of a modern classic. A Bill Dixon design that evolved from the Moody 422, it was first introduced in 1988. Like other models in Moody’s range of family cruisers, it offers spacious accommodation including a huge master bedroom in the aft of the yacht, a good size double berth in the bow and twin passage berths between the saloon and aft cabin which can be closed off to form an additional guest cabin if required. At least 6 foot 3 inches of headroom throughout most of the yacht.

She has a snug and safe centre cockpit and a clean functional deck layout. The simple, but robust, double-spreader masthead rig was fitted with in-mast furling as standard from new. The standing rigging is 2014, rig inspection done March 2022. The draft is a generous 1.83m.

Her hull lay-up is tough, durable solid laminate constructed to Lloyds specifications. The deck hull joint is through bolted, and all the internal bulkheads are glassed in place. The rudder is semi balanced partial skeg.

The Capsize Ratio -The moody scores 1.9. Anything 2 or below is considered self-righting and therefore offshore capable.

Sail Area Displacement Ratio -essentially power to weight ratio. The Moody 425 scores 16. 4, which places her in the fast cruiser range.

Displacement Length ratio -236 which puts her in the moderately heavy displacement range.

So all in all, she stacks up well.

The Moody 425 has a loyal fan base and a search of the web finds nothing but praise for a design that has proved itself again and again...some of the comments i have found are below:

“Comfortable long-distance cruiser for 2 – 3 adults or 2 adults and 2 children. Sails very well, and fast. Predictable, very light helm, Points very well. Perfect weather helm. Easily singlehanded with roller furling main and Jib controls run to the cockpit”

“Moody fiberglass quality is excellent. Rigging and hardware are first class and up-sized. Workmanship is very good”

“Best boat under 45 feet that I’ve ever seen. She’s handles beautifully under sail and power. A broad reach in 20 knots of apparent wind is something to behold”

“She is eminently “liveable”. She is built extremely well almost to the point of being overbuilt. Well thought out deck arrangement”

While she is no longer in production, i think it’s safe to say the Moody 425 will be sailing the seven seas for a long time to come!

Features

Designer	Bill Dixon
Builder	Moody Yachts-Marine Projects Ltd
Water (Potable) Capacity (l)	416
Hull Construction Material	Fibreglass
Hull Type	Mono
Deck Construction Material	Fibreglass
Country Origin	Great Britain
Length (feet)	43
Length (m)	12.7
Length Waterline (m)	10.43
Beam/Width (feet)	13
Beam/Width (m)	4
Draft (m)	1.8

Draft (feet)	6
Keel/Ballast	Scheel keel, 3810 kg
Dry Weight (kgs)	9600
Number of Helms	1 x Wheel with autopilot
Displacement	9625
Colour	White
Engine Notes	Serviced June 2023
Number Of Engines	1
Engine Standard	Yanmar (2013)
Stroke	4
Engine Hours	3591
Horse Power (hp)	54
Drive Type	Shaft with dripless seal
Engine Room	Located under centre cockpit with easy access to all sides. Heat and sound insulated.
Generator	Wind Generator: Marinekinetic 400W with controller (new 2021) Generator: Honda EU2200 Portable Honda Inverter Generator (new 2022).
Number of Batteries	Batteries: 4 Each is 6V US Batteries 2200 Golf Cart Type total 440 Ah (New 2023) 27 12v Starter Battery Battery Charger: Sterling Power 50A Battery Charger
Fuel Type	Diesel
Number of Fuel Tanks	1 x poly
Fuel Tank Capacity (L)	264
Propeller	Maxprop folding 3 blade
Steering System	Whitlock
Accommodation Notes	3 cabin. Master aft with Pullman. V berth. Crew cabin. Interior Lighting: LED. Approx 6ft 3 inch headroom.
Number of Berths	6
Number of Showers	2. 1 inside, 1 at transom swim platform.
Shower Type	Hot and cold pressurised plus transom swim platform shower
Number of Toilets	2
Toilet Type	Jabsco Manual marine
Air Conditioning	Eberspacher Diesel Heater
Number of TVs	0
Holding Tank (L)	150
Galley Notes	L shaped galley, comfortable at sea.Strong water pressure, hot and cold (Jabsco 60psi pump) + manual pump at galley sinks
Stove	Gimbaled Stainless Steel Propane Neptune 4500 with 2 Burners and Oven with Solenoid. Magma stainless steel BBQ
Refrigeration	Top Loading Compartment powered by 12V Frigoboat "Keel Cooling" system + Food locker
Number of Sinks	2
Entertainment and Appliances Notes	Bluetooth AM/FM/CD with Cockpit Remote and Cabin and Cockpit Speakers (2021)
Anchor / Winch	Electric Lewmar H2/3 anchor winch. Deck winches 5 x Lewmar (3 x 16; 2 x 52). Primary 40 lb Rocna with 220' Chain and 100' Nylon Rode Secondary Danforth Fortress
Bilge Pump	Bilge pump: Automatic Bilge Pump midships and Whale pump manual bilge
Deck Gear	Lifelines/Stanchions: Stainless Steel with Stainless Steel Wire Stainless Steel Swim Ladder. S/Steel Magma BBQ. Fenders. Dock lines.
Mast/Rigging	2014 rigging. Inspected 2023. Boom Vang: Rigid Vang Type Mast: Aluminum Kemp Rig with integrated Spinnaker pole Standing Rigging: 2014 (Rigging inspection 2021 in St Augustine) Running Rigging: 2014
Sail Inventory	5 sails. Roller Furling Genoa 110% (Zoom Sails new 2021) Asymmetrical Spinnaker (age not known but excellent condition) Furling Mainsail Hong Kong Sails Staysail that hanks to inner forestay FurlexRoller Furling: Mainsail and Jib; All Lines Operated from Cockpit. Spinnaker pole.
Electrics	12v/110v Alternator: 50A Alternator

Inverter: Xantrex Prosine 1000w (new 2021); Each Cabin is Wired with 110 Outlets Powered by the Inverter.
12v USB chargers: 5 x 2.1A USB chargers in Cabins and cockpit
Solar Panels: 4 x 100W total 400W.
Renogy Marine Battery Monitor
30A shore power cable.
Solar Arch at Stern

Electronics Navigation

Chartplotter: Garmin GPSMap 741xs with Blueseas USB charger at Navpod for phone or tablet
Radar: Garmin GMR 18 Radome
Speed, Depth, Wind, Navdata: Raymarine ST50 (new LCDs 2021)
Autopilot: Raymarine ST6000 Linear Drive Below Deck

Dinghy

Carib Marine RIB 11 ft with 15hp enduro outboard. Simpson Davits. Navigation Tricolor and Running Lights and Tri Light Manual lift arm to Lift Outboard Motor.

Covers

Dodger. Bimini. Winch Covers and Sunshade cover.
helm cover.

Safety Gear

Fire Extinguishing System: Manual Fire Extinguishers in Galley
Gas Detection: Propane detection system.
Emergency Tiller mounted in Lazarette
Lifesling
SOS Danbouy
Jack Lines
Liferaft: Viking 6 person - certified to 2025.
Emergency tiller, Lifesling, SOS danbouy, jack lines, 6 person liferaft certified to 2025.
Comprehensive spare parts for engine, pumps and systems.

Watermaker / De-Sal

2021 Rainman 110V Capacity 45Gal per hour with Control Panel and Periodic Fresh Water Back Flushing, so Pickling during off Season is not needed (2021).

GPS

Raymarine

Number of Fish Finders

Nil

Has Navigation Lights

Yes

Radio

VHF - Standard Horizon with AIS and Remote RAM Microphone at the Helm.
Standard Horizon Handheld.
AIS: Digital Yacht AIT3000 Receiver/Transponder integrated into chartplotter
Iridium Go with Antenna (2021).

Number of Life Jackets

6 PFD Type 1 Adult

Remarks

Outstanding blue water cruising yacht in a dream location to get started from.

Vessel Name

ATMOSPHERIC

Anti-foul

2022 Interlux
