Description

SOLD: This Nimble 30 is a Ted Brewer design, solidly built US blue water cruiser which has already sailed around the world.

Designed as a large volume pocket cruiser with full keel and canoe stern. Would suit someone looking for a Swanson, Baba 30 or a Cavalier.

ESPRIT is very well looked after, the inside of the boat is noticeably roomy and comfortable.

The timber interior is solid and beautiful.

The engine is very tidy and is typical of the general presentation of the boat.

A great boat for family sailing as well as short hand world cruising.
