## Description

1984 Northshore 27 now for sale with DBY Boat Sales.

Northshore 27's don't come any finer than this one.

A very original boat having had only 2 owners in total and the current owner since 1991.

Berthed alongside one of Pittwater's finest yacht clubs, this yacht has been pampered throughout her life.

A great success story for designer Hank Kaufman and Australian builder North Shore Yachts was the Northshore 27. This one is amongst the last to have been built and presents in turn key condition.

This particular boat is a great example of the popular club racer and family cruiser with sleek hull lines and good volume down below.

With her fully enclosed head, fold away saloon table, cockpit cushions, gimballed Methylated Spirits stove and separate ice box, she is a great family getaway or club racer with a few mates in the large cockpit.

She is simple to handle by one or two with all control lines leading back to the cockpit, hanked headsail for easy changes and boom bag for mainsail storage.

With a recent serviced Bukh 10hp diesel and bronze 3 blade fixed prop, main & headsail plus several additional jib sizes in good condition and a spinnaker that's seen little use this boat is ready to go.
