Description

Northshore 30 "SANTANA" launched in 1990 is now exclusively for sale with DBY Boat Sales.

It must be sold and any reasonable offer will be considered.

The Northshore range of yachts is quite extensive and the 30 was a perfect size for young families getting their first taste to yachting.

The layout is simple and accommodates 5.

The galley is a no fuss affair but gets the job done with simple metho cooking and fresh water at the sink.

An easy yacht to sail with simple tiller steering, main is battened and sits neatly in a new boom bag with lazy jacks, whilst the fractional rigged headsail is on a furler.

There are 2 additional headsails, #2, #3 also included.

The cockpit is long and spacious for a 30-footer plus it has a sunshade awning that covers the area completely when at anchor or in light downwind breezes under headsail only.

The diesel powered Nanni 10hp is in excellent condition and was freshly serviced in December 2023. 2 new batteries have been added 2024, a new bilge pump in December 2023 and an antifoul completed in July 2023, so she is truly ready to get out there this summer.

Ready to inspect and lying Pittwater.

Features
