Description

This popular 1988 Northshore 33 family cruising production boat, having had only meticulous 2 owners, is now for sale.

The Northshore 33 with her easily driven hull provides very comfortable sailing and coastal passages.

In 2000, the vessel underwent an extensive upgrade with the addition of a solid (GRP) coach house in keeping with the style of vessel and the emphasis on cruising.

Other improvements included the electric winch, gas stove and oven, and converting the ice box to fridge.

The refit included a total paint of the hull and deck.

All work was professionally done. Wheel steering, self furler, mast and boom repainted, fixed and running rigging replaced recently, new windows, stainless steel BBQ, cockpit shower, 12 months registration, the list goes on and on.

Nothing to do. Sail away now!

Price reduced!

Features

Designer	Hank Kauffman
Builder	Northshore Yachts
Water (Potable) Capacity (l)	160
