Condition	Used	State	New South Wales
Suburb	NEWPORT	Engine Make	

**Description**

Well maintained 1987 version of this popular Northshore 38 cruiser racer is now for sale.

The Northshore 38 is still top shelf amongst Australian built boats and are standing the test of time very well.

Launched mid 80s she still presents beautifully. Her interior is one of the best we have seen. New upholstery makes the interior very appealing.

She is fitted with autopilot and furling headsail so easy to handle shorthanded.

Owners have regularly slipped this boat. Original 28hp Volvo has been serviced well since new and presents clean.

She comes fitted with the step transom to ensure easy boarding from dinghy, in water or dock.

She is set up well for liveaboard with Eutectic refrigeration, metho stove and oven.

A must to inspect.
