Description

1988 Passport 40 in excellent condition now for sale. Shalamar III is proven blue-water capable, having crossed the Pacific in 2010.

With loads of upgrades since, Shalamar III is ready to sail again.

Shalamar has a quality teak fit out that is both attractive and practical.

The owner's stateroom forward has a Pullman berth to port and plenty of drawer and cupboard storage. The ensuite is located in the bow, with a head, shower, sink and vanity.

The main saloon has a U-shaped settee to port surrounding a large removable teak table which converts into a double berth. To starboard in the main saloon is a settee. There are lockers and shelves above and behind the settee providing ample storage.

Aft of the main saloon is the forward facing navigation station. It has a chart table with drawer, a custom breaker panel, upholstered seat and several storage lockers.

Aft of the nav station there is a double berth aft with hanging locker and drawers.

Deck gear, rigging, sails, electrics and electronics, are all comprehensive and upgraded and ready to sail bluewater.

Recent out of water survey for insurance (8/8/16) showed the boat in excellent condition.

Service and anti-foul scheduled September 2016.

Shalamar III is a proven, well equipped blue water cruiser. An inspection will not disappoint.
