Description

1980 Pawtucket 35 now for sale with DBY Boat sales. A perfect example of the popular Peter Cole design.

Australian yacht designer Peter Cole drew the lines of the lovely Pawtucket 35 yacht in the late 1970's. Paying particular attention to the offshore racing rules of the time he created a nimble, sea-kindly vessel capable of coastal offshore cruising, making her one of the most popular production yachts in Australia.

Audacious has a beautiful custom interior with a full galley down the Starboard side. She has 2 large quarter berths in the aft and a v berth forward. Continually updated by her loving owner with a 2016 30hp Yanmar engine and her hull topsides painted in 2011 plus new rigging in 2011.

Audacious is ready for local cruising with a turn of speed for club racing.
