## Description

2000 Phantom 34 No More Diamonds is now for sale. The last one built that we are aware of and she is beautiful.

For those looking for a serious pocket offshore cruiser. This well appointed yacht sails well to windward as well as downwind.

Her well laid out interior is light but features classic timbers for furniture.

Her owner has spent a lot of time shorthanding up and down the east coast of Australia. She has a strong suite of electronic equipment and safety kit.

She has a spacious cockpit with well designed dodger and solar panel arch.

Will suit a buyer who wants an ocean ready, low maintenance boat.
