Description

1990 Prout Snowgoose Elite 37 now for sale.

Today (Thank you) is a rare one owner find.

Originally built as the flagship demo boat for Prout Australia in QLD and sold to the current owner shortly after launch.

These catamarans are ideal east coast cruisers with shallow draft and loads of space internally and up on the decks.

She has a solid foredeck area and large rear deck dive platform ideal for swimmers or divers to come and go from.

The fully enclosed cockpit is great to keep out of the sun or inclement weather with full clears all round.

The saloon area has been well thought out with loads of seating and a dinette that converts to a large day bed.

The timber work is light, pleasant and hand crafted by local Sydney tradesman.

There are 2 x double berths, 1 x large single and the capacity for more overnighters with the daybed.

The head is huge with a free standing hot shower.

The 2010 Volvo Penta 30hp motor has 447 hrs and the drive leg swings up when under sail.

Here's what UK Nautical News said about the Prout -
These boats were designed with emphasis on fast safe cruising.

They are not race machines although they have won ocean races in many parts of the world. In literally millions of miles put up by Prout cats, there has not been one case of structural failure.

There are many appealing features to this boat and all inspections are welcome.

With a recent service to motor and drive leg and antifouling, Today is ready to go.
