## Description

Regal 3060 'ONE MOOR' is exclusively for sale with DBY Boat Sales.

As you approach the Regal you know this is a great cruiser. Its elegant lines, jet black hull. The boarding platform is sturdy and wide and provides simple access to the water with a concealed swim ladder to get back on and rinse off with the deck shower.

A fully enclosed cockpit with removable clears that are in excellent condition will keep you dry and warm in inclement weather. The cockpit when either enclosed or opened provides comfortable seating for alfresco sundowners and early morning coffee. An additional flip down bench seat is provided above the engine cover for when burbling along at idle with friends while listening to the clarion sound system complete with sub woofer.

The helm station with its shiney gauges and switches has a seat with a flip up filler cushion for skippers of shorter stature. All the controls and electrics are original and in superb condition, keeping in line with the boat as a whole.

The twin V8s fire up instantly to a characteristic throaty gurgle, quiet enough to be civilized but ready to unleash oodles of power. She will zip you to your favourite anchorage or up the coast in record time. This boat is no slouch. When you arrive the tender can be dropped off the swim platform to reach the shore/shops/pub/restaurant.

There's a fridge outside that augments the fridge in the galley to keep the drinks cold and canapés fresh. The Stainless BBQ and Stainless gas bottle mounted on the starboard side of the boarding platform provide the perfect place to cook and interact with family and friends seated in the cockpit.

Access to the large foredeck is by an elegant walkway through an opening windscreen pane.

Inside she is in sparkling condition, with casino reminiscent lustre timber cabinetry. Forward the seating area with dining table that doubles as an extra double bed is nicely connected to the galley.

The galley has a twin electric cooktop, fridge and sink.

Master bed is an enormous king size under the cockpit area, there's not going to be any fighting for space during nap time.

A well kept and loved boat ready to go and enjoy Australia's gorgeous waterways and coastal hamlets.
