## Description

This Riviera 37 flybridge, 2002 model for sale comes with a beautiful teak cockpit, outriggers for game fishing and presents in excellent condition.

Under the teak cockpit floor is a port side fishbox with overboard drain.

The starboard side locker opens up to gain additional storage for chairs, tables, outboard... you name it.

A big eutectic fridge in the cockpit compliments the galley fridge/freezer combo and icemaker to saloon.

The flybridge has a small fridge/freezer combo under the helm area which is well appointed with quality electronics, Raymarine plotter, Raymarine autopilot, Furuno depth, Icom VHF and chain counter from helm.

The flybridge has 2 deluxe pompanette helm seats and additional seating for more people on the forward facing lounge area.

Up front is the queen sized master bedroom with access all around from the island style bed and good lighting from overhead hatches and side windows. Twin bunks are along the starboard side and the lounge in saloon pulls out to make up another double for 6 in total.

Flat screen TV with DVD player in the saloon.

A very generous sized shower/head area with hatch above for nice ventilation.

With a very low 700 hours on the Cummins 370hp diesels, the engines come with a solid service history, most recently in June at the time of antifoul and hull polish.

Onan Genset gives all the luxuries of home and has only 700 hours as well.

Convection microwave and twin burner hotplates and stone benchtops complete the galley.

A near new inflatable with 5hp outboard.

On our sales wharf ready to inspect and take away for immediate summer fun.
