Description

This 2002 Riviera M290 has been well looked after, and is now for sale.

Just off the slipway December 2015 with fresh antifoul, full engine service and complete detail.

These boats are the perfect getaway family cruisers with the Riviera touch down below and above decks. A joy to drive with her large single engine and bow thruster combination. Heaps of room in the engine bay to get access to all areas.

The boat was re painted in 2013 and is as new.

The twin cabin layout offering 4 berths is brilliant for privacy whilst overnighting, and the large cockpit above is perfect for entertaining family and friends.

Located on a private berth near our Newport Marina, ready to inspect and be yours this summer. Don't delay.
