## Description

1985 Roberts 25 now for sale with DBY Boat Sales.

Roberts 25 yachts don't come any cleaner than this one. This neat little 25 footer, built in 1985 will outsize yachts of up to 30 feet or more.

The Bruce Roberts designed 25 is a lot of boat and has one of the largest cockpit areas for any 25 footer we've seen.

The upholstery is in near new condition and the whole boat is a credit to her current owners.

These pocket sized cruising yachts can accommodate up to 5. A generous V berth in the bow, 2 aft quarter berths and a settee that drops down to be another single if required. A fully enclosed head with vanity.

Simple metho cooking and house pressurised fresh water, she makes for an easy weekender.

Sails and 2 year old rigging are in excellent condition.

The Vetus 10hp diesel shaft driven engine has good service history and runs well.

A teak swim platform off the transom makes for super easy boarding and entry to the water.
