Description

This 1985 Rodgers 40 performance catamaran now for sale.

Shotover IIs a fast, twin mast catamaran designed for short handed sailing.

The twin mast rig keeps the centre of effort low, making her easy to handle and incredibly stable whilst providing maximum power.

She has recently undergone several improvements including brand new Rolly Tasker Mains, new entrance hatches, new deck & hull paint and a new 18HP Tohatsu outboard with only 20 hrs use.

She has overnight accommodation with bunks forward in each hull and is great value for day sailing or inshore racing.
