Description

1977 Spacesailor 24 now for sale with DBY Boat Sales.

This Swarbrick designed Spacesailor 24 is being offered for sale for the first time in over 40 years.

To say the current owner loves this pocket family cruiser is an understatement but it's time for a new family to take ownership.

Red Herring has been well maintained over the years and presents in good condition. She has an inboard diesel motor and good sail wardrobe including Spinnaker.

For family cruising she has a well thought-out cabin with fully enclosed head, double V- berth forward, dinette that converts to another double berth and a single berth to starboard.

She has a cutaway transom for easy access after a summer swim, together with cockpit cushions and boom tent for lazy afternoons with friends.

Inspections welcomed from our Pittwater office.

Features
